About TAS

Tamil Nadu Agarwal Samaj (TAS) was established on December 20th, 2009 at Erode, with a vision to bring members of all Agarwal Samajs in TamilNadu & Kerala together under one platform.

The idea was to promote our culture and sports activities. It also aims for marriages within the community.

The Tamil Nadu Agarwal Samaj was initially the coming together of 6 Samajs, and as time passed, more Samajs joined, and today is a federation of 9 Samajs, spread across Tamil Nadu and Kerala.

Our Mision

Promote friendship and cooperation between members of the Agarwal Community by focusing on 4 major areas:

- ✓ Culture
- ✓ Sports
- ✓ Business
- ✓ Marriage

TAS encourages its member Samajas' to organize events based in the above themes in their respective locations, involving all the member Samajas' from other locations in the events.

This helps building friendship, better relations and cooperation among the members.

About TAS B2B Meet

It is a Business Expo to promote businesses within the Agarwal Community by exchanging Business Cards, Ideas and by being able to introduce their respective products and services to all.

Knowledge sharing is a critical part of TAS B2B Meet. The ability to share and gain knowledge from peers at other companies in the same industry is invaluable.

Businesses within the Agarwal Community will be able to enter into partnerships with other businesses as well as refer their businesses to other prospective buyers or sellers in the business cycle,

It is designed to facilitate in-person interactions that result in relationship building, B2B lead generation, sales pipeline generation and acceleration, customer retention, and brand awareness.
